We know you are busy and sometimes an extra pair of hands would be invaluable for a special project or ad hoc advice. Get on tap advice when you need it.

- Tricky Subject Access Request you’re not sure how to handle?
- Starting a project than needs a DPIA?
- Looking to optimise your use of legitimate interests and need help with the Balance of Interests test?
- Wondering how to replenish your customer database post-GDPR?
- Need assurances surrounding the compliance of your service providers?
- Unsure how to ensure your cookies are compliant?
- Planning to review a policy and need some additional support?
- Does your privacy notice need to be tweaked and updated?

Whatever your needs, our Helpdesk gives you the flexibility to get expert advice and pragmatic solutions when you need them.

Opt-4 are specialists in Data Protection and Privacy AND as practitioners ourselves we understand the challenges organisations face.

Between us we have extensive senior level leadership experience across technology, media, logistics and many other sectors - we’d love to share our knowledge with you.

We also provide training, conduct privacy health checks or in-depth audits, as well as advice on data breach processes and many other privacy challenges.
